**Drug Testing Consent**

**As a student... (initial each)**

I have read the Mid Coast Construction Academy’s Student Drug Testing Policy, and I understand and agree that participation in the pre-apprenticeship program is voluntary and a privilege

I understand that as part of my voluntary participation in the pre-apprenticeship program, I hereby consent to undergo drug testing for the presence of alcohol, illicit drugs and/or banned substances in accordance with Board Policy. I understand and agree that my consent shall be in effect unless and until revoked in writing.

I understand the collection process will be overseen by a qualified vendor and that confidentiality will be secured. I hereby consent to the vendor selected by the Mid Coast Construction Academy, its laboratory, doctors, employees, and/or agents to perform testing for the detection of alcohol, illicit drugs and/or banned substances, and to confer with any necessary third parties regarding the results in order to confirm the results.

Potential Employers

Our office frequently gets calls from local contractors interested in hiring our students. For high school students, it is usually part time or summer work. For the adult apprenticeship program, full time work is required. We will check in with you frequently throughout the year to determine whether you are currently seeking employment and what type. If you would like us to pass along your name and contact information to local employers for potential employment opportunities when they arise, please sign below authorizing us to release that information. You may withdraw your consent in writing at any time in the future if your situation changes.

## Code of Conduct

### The Intent of the Code

The intent of the Code of Conduct is to create professional unity and pride in the work of the Mid Coast Construction Academy and its students by having some common agreed standards of professionalism. It is a statement of the high standards of behavior, which apply to all staff and students of the Mid Coast Construction Academy, which are rightly demanded of companies by the wider community. The Code reflects the vision of MCA and its students: To promote and educate students and unemployed individuals about the construction industry and develop skilled labor through pre-apprenticeships and apprenticeships. It acts as an effective demonstration of the values of the Mid Coast Construction Academy and its students which are embodied in the Principals of the Code. All standards contained in this Code are in addition to the general obligations imposed on students including implied duties such as the duty to act with honesty, integrity and in good faith.

### Principles

**Respecting** When working with others, students are expected to treat students and staff with respect for their rights and obligations.

#### **Behaving**

**professionally:** Students are expected to carry out their duties in a professional and conscientious manner at all times. CELL PHONE USAGE IS STRICTLY PROHIBITED. Professionalism also includes attendance and punctuality. While enrolled in this program, pre-apprenticeship students agree to take part in enough contact hours of learning per year to meet NCCER requirements in the craft of their choice and maintain an enrollment in a local high school. Classes are held from 8:00-10:00 am, Monday – Friday during a normal school year. All students must attend work and training as agreed as long as fit to do so AND advise the instructor, education director, and/or employer of sickness or absence prior to missing class/work.

**Workplace Health** Health and safety, social responsibility and environmental sustainability are crucial to business. Our

**& Safety:** students will support WHS by ensuring:

- safe operations are followed not only on equipment, but also on every person working within the industry taking responsibility for preventing workplace-related injuries and illnesses and using the tools and procedures in place.
- they are wearing the appropriate shoes and clothing for the construction work as not to create a hazard.
- they wear the appropriate Personal Protection Equipment (PPE) and other equipment as instructed.

#### **Alcohol & Drug Use:**

In line with our commitment to providing a safe and healthy work environment, while at work or when conducting Company business, students must be able to function at an acceptable level of performance and not be impaired by illegal or legal drugs, including alcohol. DRUG TESTING WILL BE ADMINISTERED THROUGHOUT THE PROGRAM.

#### **Harrassment:**

MCA does not tolerate any form of harassment. See handbook for complaint procedures

**Parent Permission and Waiver Form for Field Trip**

I/We, the parents/guardians of the student named below, understand the nature of potential field trips being planned to jobs sites, member companies, sponsor employers, etc.

We understand that transportation will follow the school districts’ policies according to the Memorandum Of Understanding with the MCA and we are in accord with the purposes of and procedures governing the trip(s).

We hereby grant permission for our son/daughter to participate. We understand that adequate and appropriate supervision will be provided.

In the event of an injury requiring medical attention, I hereby grant permission to the supervising teacher(s) or staff (including volunteers) to attend to my son/daughter. If the injury warrants further medical attention, I expect every effort will be made to contact me to receive my specific authorization before action is taken. If efforts to contact me are unsuccessful, I grant permission for necessary medical treatment to be given.

In addition, I hereby give my permission to the supervising teacher(s) or staff (including volunteers) to take my child to the physician, dentist, or to the hospital if an accident or serious illness occurs on the trip and I cannot be located.

**Waiver**

We recognize, however, that unanticipated situations and problems can arise on any trip, school-sponsored or otherwise, which situations or problems are not reasonably within the control of the supervising teacher(s) or staff (including volunteers). We further agree to release and hold harmless the Mid Coast Construction Academy, its agents, officers, employees, and volunteers, from any and all liability, claims, suits, demands, judgments, costs, interest and expense, (including attorneys’ fees and costs) arising from such activities, including any accident or injury to the student and the costs of medical services, or any cause beyond the control of MCA, including, but not limited to, natural disasters, civil disturbances, acts of terrorism, and wars. In the event that a student must return to the MCA independently for reasons of health, accident, failure to conform to rules established by the teacher in charge, etc., we agree to accept full responsibility for and to pay for the cost of medical care, transportation and other incidental expenses.

This permission slip also serves as a contract that the student and parent(s) understand and agree to the guidelines from each teacher as to making up missed assignments.

Pre-Apprenticeship (High School) Application Packet

**Requirements for Enrollment**

- |   |  |
|---|--|
| 1. Must be enrolled in local high school or home school | 3. Must be physically able to perform the tasks/jobs.  |
| 2. At least a 9th grade reading and math level          | 4. Capable of paying tuition (if this is your only obstacle, please talk to us. We <b>may</b> be able to find/provide support. |

**Frequently Asked Questions**

**1. When are applications due?**

Our Electrical class is full, but we have extended the plumbing deadline to July 30th.

**2. What do I need to know about drug testing?**

Tests are due with the application and should be from within the past month. Tests should be 10 panel employment tests and can be performed at the clinic of your choice, or at our office (1408 N Ben Jordan) for a \$30 fee. Sometimes your school district may cover this for you if you are a high school student. You may ask your administration whether your district will provide the drug testing, but ultimately it is your responsibility. Students not only have to pass to be allowed into the program, but to remain in the program. We test randomly and for cause.

**3. What are the number of students per school that will be allowed?**

There is no limit. Applications are processed on a first come first serve basis until the seats are filled by those meeting all the requirements on time. From there, applicants will be added to a waiting list and will be called if an opening becomes available.

**4. How and who will determine 9th grade reading level?**

Earning a 9th grade English credit or passing English I STAAR would be sufficient. This must be shown on the transcript. However, even if a student did not pass 9th grade English, but can pass the employability test we provide, that would also be sufficient due to the many word problems on the exam.

**5. What are the math requirements?**

In order to be accepted into our program, students must either show they've passed Algebra 1 or the Algebra 1 STAAR on their transcript, be able to pass our employability test, OR be TSI complete. Only one of these is necessary.

**6. How will the MCA measure the physical qualifications?**

We will follow the standards laid out in the Bona Fide Occupational Qualifications Law.

**7. What do I need to know about this employability test?**

The test covers the basic math skills needed to perform the duties of each craft, including but not limited to: measurement, fractions, decimals, basic addition, subtraction, division, multiplication. It also covers reading skills through word problems and ability to identify important and irrelevant details within a set of instructions. **Remember, a student is exempt from this if they can prove their 9th grade reading and math levels in another way (outlined above).** The absolute deadline to meet math and reading requirements is the first day of class. However, the earlier the better. A student's spot in the class is not secured until they have met ALL of the application requirements. In order to save your seat, please call for an appointment ASAP.

**8. Whose handbook and code of conduct needs to be signed?**

The MCA's Code of Conduct is in this packet and the Standards and Student Handbook, which details specific requirements for attendance and conduct, will be handed out to students on the first day of class. These both must be signed and adhered to by all students.

**9. How will instructors be vetted?**

The instructors have been in the industry for many years, are required to have at least their journey license, and are NCCER certified instructors. They will sign a release to be background checked within each district so they can be credentialed by each ISD.

**10. What PEIMS numbers and course names are ISDs using?**

\*Career & Technology Education (CTE) high school credit

Class name	Number of credits	PEIMS number
Principles of Construction including NCCER CORE	1	13004220
Electrical 1*	1	13005600
Electrical 2	2	13005700
Plumbing 1*	1	13006000
Plumbing 2	2	13006100

Because students spend two hours per day at the MCA, they will receive two credits. CORE is taken in conjunction with either Electrical 1 or Plumbing 1. Electrical 2 and Plumbing 2 are stand alone courses as they are worth two credits each and cover much more material.

**11. Cost of program?**

The high school program is \$900 per semester. Some schools pay this partially or in full. Speak with a representative at your high school to find out the cost to you.

**12. When and how do students receive an application?**

Applications are sent to our contacts within the schools, so each student may get one from their counselors, in an email by request, online at [www.mcademy.org](http://www.mcademy.org), or can be picked up at our office: 1408 N Ben Jordan St.

**13. How should applications be turned in?**

High school counselors may accept them and turn them into the MCA. If a high school counselor does accept an application, he/she should time and date stamp it at the top of the page in the place indicated so that we may determine which applicants applied first. Applications can also be scanned and emailed to [admin@mcacademy.org](mailto:admin@mcacademy.org), or they can be mailed to Mid Coast Construction Academy at 1408 N Ben Jordan, Victoria, TX 77901. In the case of a mailed application, the postmark date will be used as the date submitted.

**14. How do I know if I get into the class?**

Seats are filled on a first come first serve basis at the high school level. If your application is received after a class is full, you will be contacted and given the option to join another program, be put on a waitlist, or withdraw your application. If you are waitlisted, and later moved into a seat in the class that has been vacated, you will be contacted as soon as possible. This can happen if: another student changes their mind, another student's application is not complete, another student did not get the program to fit in their schedule by talking to their high school counselor, or other various reasons.

**15. What kind of transcript is required for documentation?**

Typically we required a certified transcript in a sealed envelope. You will have to request this from your counselor. However, if your counselor emails it to us directly, it does not have to be certified.

**16. How do I know if I need to register with the Selective Service System?**

Here is a chart that will help you determine whether you are in compliance or not.

**Selective Service - Who Must Register**

**NOTE:** With only a few exceptions, the registration requirement applies to all male U.S. citizens and male immigrants residing in the United States who are 18 through 25 years of age.

Citizens of American Samoa are nationals and must register when they are habitual residents in the United States or reside in the U.S. for at least one year. Habitual residence is presumed and registration is required whenever a national or a citizen of the Republic of the Marshall Islands, the Federated States of Micronesia, or Palau, resides in the U.S. for more than one year in any status, except when the individual resides in the U.S. as an employee of the government of his homeland; or as a student who entered the U.S. for the purpose of full-time studies, as long as such person maintains that status.

**NOTE:** Immigrants who did not enter the United States or maintained their lawful non-immigrant status by continually remaining on a valid visa until after they were 26 years old, were never required to register. Also, immigrants born before 1960, who did not enter the United States or maintained their lawful non-immigrant status by continually remaining on a valid visa until after March 29, 1975, were never required to register.

## 17. How do I check or verify that I am in compliance?

You can use the following web address, and then input your name, social, and date of birth to verify whether you are in compliance. <https://www.sss.gov/Registration/Check-a-Registration/Verification-Form>

## 18. What if I'm not registered and I should be?

You can register many ways.

1

The easiest and fastest way for a man, from age 18 through age 25, to register is to register **online**. Fill out the online form at <https://www.sss.gov/Registration/Register-Now/Registration-Form>. You must have a valid social security number. NOTE: Anyone, U.S. citizen or immigrant, who attempts to register from our website with a social security number that is not first in our system will find they are not able to complete their registration online. These men can still register by filling out a registration form and mailing it to the Selective Service System. The registration form asks for the young man's full name, address, date of birth, gender, and social security number (if he has one). On the form that is mailed to Selective Service, the man's signature is also required.

2 You can also register with your **High School Registrar**. More than half the high schools in the nation have a staff member or teacher appointed as a Selective Service Registrar. These individuals help register male high school students.

3 Selective Service mail-back registration forms are available at **any U.S. Post Office**. A man can fill it out (leaving the space for his social security number blank, if he has not yet obtained one \*), sign and date, affix postage, and mail to Selective Service without the involvement of the postal clerk. Men living overseas may register at any U.S. Embassy or consular office. Remember to provide your social security number to the Selective Service as soon as you obtain one.

4 A young man may also register by filling out a **reminder mail-back card** received in the mail. Selective Service sends this card to many men around the time they turn 18 years old. A man can fill out the card at home and mail it directly to Selective Service.

5 Another way a young man can register is to check a box on the application form for federal student financial aid (**FAFSA**). A man can check "Register Me" on Box #22 of that form, and the Department of Education will furnish Selective Service with the information to register the man.
